

Reception Weekly Information

Week beginning: 12.10.20

Theme : Me and My Friends

Maths:

Number recognition activities

Making comparisons- comparing size, mass and capacity. We will be building different size models, using a balance to compare mass and looking at different containers.

Literacy: Little Red Hen

Sequencing the story.

This week we will introduce the sounds e, u, r and h. We will also practise the letter formation for each of these letters.

We will be practising blending the letters that we know to make words .

Other :

Making clay faces and decorating them with natural objects collected from the field.

Exploring the bible story of the rich farmer and learning some harvest songs.

We are encouraging the children to be as independent as possible so please could you make sure that your child wears their school shoes on Forest Friday so that they can take them off and put them back on easily when they change into their wellingtons. We have had a number of children with laces to undo and do up which has made it more challenging!

Thank you to all the parents who have already made appointments for our parents evening via telephone. I look forward to talking to you about your child's progress.

Many Thanks,

Madeleine Garner
