

Reception Weekly Information

Week beginning: 15.01.18

Theme: Twinkle twinkle...

Maths: Number

Lots of activities to recognise numbers 1-20.

Number formation practise for numbers 0-9.

Literacy: Whatever Next

Retelling the story or parts of the story in our own words.

Reading some instructions to make a rocket and putting them in the correct order.

Other

Finding out facts about earth, the sun and the moon.

Making our own rockets.

The children have settled really well after their Christmas break and we have already had a very busy week. I would like to say a huge thank you for all your very generous Christmas gifts, I am looking forward to spending my voucher!

Many Thanks

Madeleine Garner
