

## Reception Weekly Information

Week beginning: 15.10.18

Theme: Barford and Beyond

### **Maths: Measuring**

Using everyday language to talk about length and height eg. longer, shorter.

Solving simple problems that involve comparing length and heights.

### **Literacy:**

Phonics and letter formation- h, b, f and ff.

Recognising the tricky word to.

Using magnetic letters to make CVC (consonant, vowel, consonant) words.

### **Other : Our school**

Thinking about places we see on our way to school- please talk to your child about the different landmarks in Barford that they see on their journey to school so that they can use this information when we make very simple plans of their route to school.

A reminder that the flu inoculations take place next Tuesday.

.Many Thanks

Madeleine Garner
