

Reception Weekly Information

Week beginning: 19.10.20

Theme : Me and My Friends

Maths:

Number recognition activities- representing numbers 1-10 and beyond in lots of different ways eg numicon, dice patterns, cubes etc

Literacy: Three Little Pigs

Retelling the story using the props from our small world play.

Writing words such as 'huff' and 'puff' from the story.

This week we will introduce the sounds b, f, ff and l and tricky words I and the. We will also practise the letter formation for each of our new letters.

Other :

We will be making Christmas cards! Each year FABS organise a Christmas card fundraiser. Your child will create a Christmas card design at school and then you can order cards for yourself. A letter explaining how this happens will be coming out shortly.

We have now introduced a number of sounds and done lots of blending to read words so in the coming weeks your child will be bringing home a reading book, when we feel they are ready. It is really important that your child is beginning to blend sounds to read words before they have a reading book so they do not become frustrated. Book change day is on a Monday, so if you are ready to change a book please bring it in on a Monday morning. Like the rest of the school we will not be using book bags, your child just needs to put the book in our book box at the door. Reading books will then be isolated for at least 72 hours before they are given to another child. We will be keeping a record of your child's reading in school.

Many Thanks,

Madeleine Garner
