

Reception Weekly Information

Week beginning: 23.11.20

Theme: Special Times

Maths: Investigating numbers

Making shapes with cubes and posing questions such as how many shapes can you make with 4 or 5 cubes? How many shapes do you think you can make with 6 cubes?

Literacy: Advent

Finding out about advent.

Writing instructions to make a Christingle.

Introducing zz and the tricky words are and you. Learning an alphabet song so that children remember letter names as well as the sounds.

Other:

Making a class advent ring.

We are beginning to learn some Christmas songs with their makaton signs. Makaton is used in many schools to support children to develop their communication, language and literacy skills. Ask your child what Makaton signs they know.

Please could you make sure that your child has a change of clothes at school.

Many Thanks

Madeleine Garner
