Welcome back! We hope you have all had a great Easter holiday and are looking forward to our summer term. This half term, as well as the activities planned from the children's own learning and interests we will be learning about.....

Helping Hands

In Pre-school activities are of a cross-curricular nature. This half term's activities will include.....Visits from people who help us such as a Police Officer so that we can listen and ask questions. A role play home corner that will include a Post Office and a trip to see the Post office at Barford shop. Thinking about how we look after ourselves and others.

We will continue our letter of the week- please check the notice board to see what the letter is. Encourage your child to bring in any objects starting with that letter for our sound box. The children will also experience lots of counting activities, counting up to 10 and beyond with a variety of number recognition activities that they can access independently.

At home.....Please talk to your children about people who help us and how we can help others. We really value your contributions to your child's Home Journal, please feel free to add photos, pictures and any comments about what your child has been doing at home. Home Journals can be taken home whenever you wish.

We would be very grateful for the following... Please make sure that your child has a change of underwear and socks in case of accidents. These can be left on your child's peg. Please remember to name all clothing especially jumpers and cardigans. If you have a job that fits with our theme and would like to come in and talk to the children about it please let us know. We are also trying to make our outdoor area look more welcoming so if you have any spare bedding plants we would welcome contributions!

We look forward to working with you and your child in the coming months. If you have any queries please do come in and ask.

The Early Years Team
