

Reception Weekly Information

Week beginning: 15.03.21

Theme: Let's Build

Maths: Repeating patterns

Continuing and creating repeated patterns using natural objects.

Literacy: The Three Little Pigs

Revisiting the digraphs and trigraphs we have learnt.

Writing the story of the Three Little Pigs in three stages, just like we did with the story of The Enormous Turnip.

Other activities:

We will be building different structures using a variety of resources.

The children have settled back into school really well, quickly remembering all our routines. They have loved seeing all their friends again and it has been fantastic to have our busy, vibrant classroom back again. Well done children!

A reminder that book change day will be on a **Monday** as usual. You will receive two books to read with your child. You now also have a reading diary which can come into

school each Monday with the books tucked inside them. Please record every time you read with your child at home and add any comments about their reading, we really value any of your observations. It will help your child's reading fluency if you read each book at least three times.

Many Thanks

Madeleine Garner
