Disco

The Disco took £496.60 after expenses made a £245.27 profit. Having a proper DJ went down well with the children and should continue.

Parents are not to go in to toilets due to safeguarding.

School will talk to children before next disco to ask they only go in to toilets if they need to and not congregate in there.

After floats being lefty in staffroom before last disco, they need to be handed over to the office to be locked away.

Next disco will be on a Friday and at earlier times of KS1 – 3.30pm-4.15pm and KS2 4.30pm -5.30pm. This is a trail to see if it works better and more help is available.

Class reps

Only one parent came forward to be a rep, advertise in September for more. Kerry Liddington put herself forward at the meeting to be year 3 rep in September and Katy Thomson year 1.

When we advertise again in September, explain what a class rep involves doing. Liaising with their year groups parents and helping get volunteers for events.
