Why was Roald Dahl famous?

Roald Dahl was very famous for writing awesome stories.

Some of the most famous include BFG, the twits, George's marvellous medicine and of course James and the giant peach.

My favourite Roald Dahl book is the BFG because the giant doesn't eat the girl.

If I could be a character in one of the stories I would be the giant in BFG because he is colossal.

# Why was Roald Dahl famous?

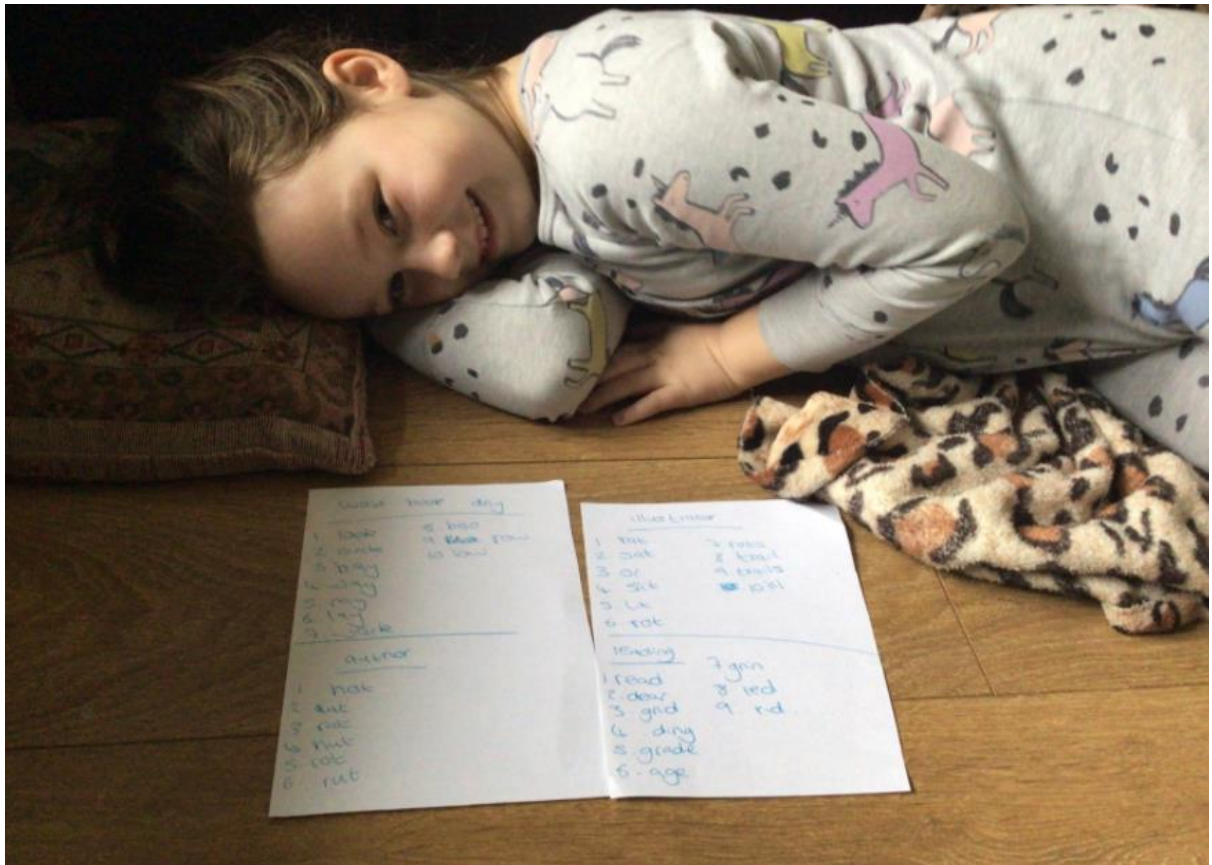

Roald Dahl was very famous for writing Charlie and the Chocolate Factory 1964, George's Marvellous Medicine 1981, The BFG 1982, and of-course Matilda 1988. my favourite Roald Dahl book is Charlie and the chocolate Factory because there is lots of yummy, delicious, sugary chocolate and sweets. I would love to try the chocolate grass and swim in the chocolate river! If I could be a character in one of the stories I would be Matilda because she is super cool with super powers and it would be amazing to have powers forever one day!
