

KS2 Cross-Country event at Turnfurlong Infant School

On Saturday 4th November, 28 Key Stage 2 children competed in a very arduous track against 14 other schools held at Turnfurlong Infant School.

Early in the morning, the Year 6 girls started the competition and showed great strength as they raced around the 1200m track. All of them showed a great growth mindset and finished strong! Next up were the Year 6 boys who gave fantastic performances and as a team -delivered an amazing result.

After that, Year 5 girls and boys showed great resilience and completed the same track as the older year group. Shortly after, the Year 4s faced a 800 metre track, the pressure was on because we only had one girl (Kiera Van Danzig) representing Bierton. After that, the year 4 boys were ready to run and showed superb perseverance as they all scored excellent results.

Competing next in the 600m races were the Year 3 girls and boys in their first ever-official race and they all did fantastic! The Year 3 girls are definitely future ones to watch!

Thank you to everyone who turned up to race on a very wet and windy Saturday!

Lewis Golding and Makoto Sato (Year 6 PE Ambassadors)
