

Friends of Bierton School – FOBS

Calendar of Events 2017/18

Please see below the planned dates for FOBS events this school year. Due to the school hall being out of use for the first half of the autumn term there are a few events close together in the second half of the term. We realise this is not ideal but we wanted to still offer these events as they are very popular with the children.

As always, thank you for your support and we look forward to seeing you and your children at the events.
