Friday 1.4.2022

News and Reminders

We have had a very busy half term so far. With Red Nose Day, Science Week, Gymnastics competition and next week will be our poetry week. We're sure you will agree the children are ready for a well earned break this Easter. We will not be setting homework over Easter, but we would like to see photographs of the exciting things you get up to, as a family. Please also keep reading!

Next week we will be having an Easter egg hunt, the children will be eating their egg as a snack in school. Don't forget to send in your Easter bonnet next **FRIDAY**.

Spirituality

We have been learning about fair trade fortnight and looked at how we can support farmers across the world. We have learnt about World Water Day, we discussed how important water is and looking after the planet and ourselves.

Red Nose Day

We really enjoyed celebrating Red Nose Day by scoffing cakes, red nose and spoon races and raising lots of money. Thank you to all the children who took the time to pelt the teachers with wet sponges, we raised a lot of money for an excellent cause.

Tinkering Station

If you have any old electronic devices, including remote controls could you please bring them in. We are encouraging the children to investigate these items, opening them up and exploring what is inside.

Homework

Literacy - Practise your special friends at home and upload a video of you saying your sounds.

For your Topic homework we would like you to spend time making your Easter bonnet if you haven't done so already. As always, the homework will be on Seesaw tonight.

Our Learning

The children were very excited to welcome some new visitors to the classroom, we have been learning about the life cycle of a frog. Mrs Guess has kindly donated some frog spawn for our class pet, if you would like to take care of our tadpoles over the Easter holiday please let us know!

Our topic this half term has been about growing, we have planted seeds and broad beans in school and the children will be looking after them next term.

Superstar Learners

The Christian Values Awards so far this term are:

Alder: Tiago and Nellie- Co-operation
