- Impact will be measured against the proposed outcomes, and increased percentage of pupils receiving ‘quality provision’.
- Each term, After School and Before School Club Data will be analysed. Measures will be put in place to allow all children to access different clubs.
- An increased number of pupils being signposted to out of school club opportunities.
- Pupil Voice - Feedback from pupils will feature as part of the impact measured showing increased participation and enjoyment in PE lessons and after school clubs. This will come from club registers and feedback from specialist coaches, teachers and children.
- Greater involvement of PE ambassadors and Play leaders in organising inter-house competitions, events and the Sainsbury’s School Games.
- By the end of the Academic year, a target of 75% of KS2 children to have participated in at least 1 sporting club.
