Our Learning

The final few weeks of the term have been filled with amazing learning and different events. Our first official sports day in three years was a success and the children performed brilliantly, especially considering the heat. In Computing, the children have made stop-motion animations and some of these can be viewed on Seesaw. Many of the children enjoyed the bikeability sessions and Year 6 attended a celebration event and service at Dorchester Abbey. The Year 5 children have been developing their writing skills while reading 'The Explorer' and have also used drama and role play to generate ideas. Year 6 have been busily rehearsing for their end of year production and have also been developing their own businesses after completing Young Enterprise. We would like to say a massive thank you to The Griffin Trust for funding this event for the children.
