

Cedar, Cherry and Chestnut Class

16th July 2021

News and Reminders

I wanted to take this opportunity to say well done to all the children on their resilience and hard work this year. It has been another interrupted year and the children have made the most of the circumstances they have found themselves in. The kindness and compassion they have shown each other through these difficult times is just one of the ways they have let their light shine.

Have a lovely summer.

Library

We will not be visiting the library any more this year. If your child has a library book, please could they return it to their class teacher.

Homework

Reading: over the summer we would love you to keep reading with your child. They will still keep access to MyOn and accelerate reader and can start banking words for next year.

Maths: the children will also still have access to Numbots and Times Tables Rockstars and we would love them to keep using these to practice their skills ahead of next year.

Our Learning

Its reaching the end of the year but our children have still been producing some great work and getting involved in some great activities.

Literacy- This week we were looking at adapting well known stories to play scripts. To help with this the children acted out the story of the Three Billy Goats Gruff and what a delight that was! The children were brilliant; not only did they have a lot of fun with it but they put on some really great performances.

Mini-olympics- We hosted a mini Olympics on the field, which turned out to be a bit more exciting than we were expecting. The children did really well moving round sensibly and all taking part in all the activities. They listened well to instructions and tried their best. But, maybe most importantly of all, they showed great sportsmanship.

Superstar Learners

Christian Values Certificates: Well done to those children who have been awarded a Christian Value certificate.
