General & Homework			Homework Club Y7 – F5	Homework Club Y10 – G2	

All students are welcome to attend the clubs above (unless the club states otherwise). It is advised that students should confirm their wish to attend with relevant member of staff *before* the club, so that staff can let them know of any changes that may occasionally occur e.g. staff absence, room change, equipment requirements etc. Students should make sure they have permission from a parent or carer to attend and that they have agreed a safe method of getting home.
