Headteacher: Mr R Horsfield LLB BA (Hons)

8<sup>th</sup> February 2021

Dear Parent/Carer,

## Free BT Open wifi access for qualifying pupils

I am writing to inform you of a scheme being run by BT to provide pupils with free access to BT Open wifi, which is a national network of wifi hotspots. Although the network has over 5 million hotspots, it does not cover all addresses in the country, so will not be a suitable solution for all pupils. School has a number of free logins to give out to pupils which will each allow up to three devices to connect to the network. Before requesting a login code, you should check whether there is coverage at your address by using this link:

<https://www.btwifi.com/find/>

You should also check that the network covers your address by checking that BTWi-fi or \_BTWi-fi appears as an available network on your device in the settings for wifi. Please be aware that there may be other BT networks with similar names nearby, such as in a neighbour's home.

If you would like to take advantage of this offer with BT, please email [l.silverwood@brighouse.calderdale.sch.uk](mailto:l.silverwood@brighouse.calderdale.sch.uk) and we will send you login details so you can access the network.

Please note that we can only act as a facilitator in this arrangement, in supplying you with the details. All responsibility will lie with you, and not with Brighouse High School, in your subsequent arrangement with BT.

Yours faithfully,

Richard Horsfield  
Headteacher
