Headteacher: Mr R Horsfield LLB BA (Hons)

7th January 2021

Dear Parents/Carers,

Free additional mobile data for qualifying pupils

I am writing to inform you of a scheme being run by some mobile networks to increase data allowances for pupils who are having difficulty accessing remote education. School can make applications on behalf of pupils who do not have broadband at home and are unable to afford additional data in order to access remote education. The scheme is open for children with access to a contract or pay-as-you-go mobile phone on the following networks:

- Three
- Smarty
- Virgin mobile
- EE
- Tesco Mobile
- Sky Mobile

If you would like further information on this scheme or would like school to make an application, please follow this link: <https://tinyurl.com/y3qq6wbs>

Free additional mobile data applications

Please note that some networks are limiting the number of requests which they will process, so any applications should be made as early as possible.

Yours faithfully,

Richard Horsfield
Headteacher
