## Prefect Support for Summer School

Dear parent/carer,

This year, Brighouse High School is running a Summer School for all pupils who are due to begin year 7 in September. Unfortunately, due to covid restrictions, we have been unable to run our usual programme of year 6 transition events this term. Our usual transition days are a vital part of preparing year 6 pupils by enabling them to spend the day at the school so they feel ready to start in September. This year we have been unable to welcome Y6 pupils into the school during term time. The Summer School will enable us to welcome our new pupils to Brighouse High School so that they can meet staff, their classmates and prefects, and familiarise themselves with the premises. Offering a range of enjoyable activities and lessons throughout the week, Summer School will help new pupils feel ready to start in September.

Our prefects would usually be involved throughout the transition process, and helping the new year group settle in is something that all our prefects enjoy. We would like prefects where possible to volunteer to support the Summer School on one or more days during the week of 9<sup>th</sup> – 13<sup>th</sup> August. They will support the same form that they will be attached to in September, so it is a fantastic chance to get to know the pupils before then. It is also a great opportunity to develop themselves personally in terms of leadership skills, confidence, responsibility and supporting others, and will look impressive on their CVs.

The school will run from **Monday 9<sup>th</sup> August until Friday 13<sup>th</sup> August, from 9:15am until 2:30pm**. There will be two breaks as well as a lunch break, and school will provide lunch for prefects. The activities include English, Maths, Performing Arts, Technology along with Bushcraft, team-building and developing organisation skills.

Please could you return the slip below to indicate any days your child is able to support. It promises to be a really enjoyable and worthwhile experience for everyone involved. If you have any questions, please do not hesitate to contact me by telephone or email.

Yours sincerely,

Ben Kantola-Smith  
Assistant Headteacher
