Dear Parent/carer,

I hope that your child has now settled in well to face to face lessons and is pleased to be back to a more normal routine at school. I am delighted that we were able to support you through the period of remote learning by loaning equipment to enable online lessons to be accessed.

I am writing to remind you that now the period of remote learning has ended, we are requesting the return of all equipment loaned during lockdown. This will enable us to check equipment and update software, and also to redistribute items as necessary, such as to pupils who need to isolate.

Please return any borrowed equipment to school with your child, who should hand it to their form tutor during form time. If you feel the equipment would still be useful to you to support your child's schoolwork, we will be able to arrange another loan once the equipment has been returned, checked and updated as required.

Yours faithfully

Ben Kantola-Smith
Assistant Headteacher
