Dear Parents and Carers,

Re: Year 9 and 10 Return to School

I am pleased to confirm that the delivery of our 16 temporary modular classrooms has now been completed and that we will be able to welcome back our Year 9 and 10 students on **Monday 24 September** starting at the usual time of **8.40 am**.

Year 9 and 10 will attend school from 8.40am, the first two periods of the day, so that they can be inducted into the new school year and given the health and safety briefing that other year groups have had. The rest of the students in other year groups will join us after morning break at 11.00am on Monday (24th September 2018), and normal lessons will resume for all students as we are able to return to some normality.

Year 9 and 10 students should arrive at school promptly and line up in form groups on the playground ready to be collected by their form tutor and escorted to their temporary form room. They should be in full school uniform.

I thank parents and our students for their patience and understanding over the delay to the start of the new school year. Students should bring the work they have been doing at home over the past two weeks with them and hand in to teachers as they attend each subject on their new timetable.

We look forward to welcoming your daughter back to school on Monday.

Yours sincerely

Mrs L. McGowan
Headmistress
