Maths progress and attainment by pupil group

This is provisional data for 2018/19. CLA data is not currently available, so we are not publishing breakdowns of data such as disadvantaged which appeared previously. This information will be included in the revised release.

Also, any amendments made to this school's data will be reflected when we re-publish the data in a few months. National and local authority benchmarks may also change. Until these changes take effect, you may see differences between data on ASP and Compare school and college performance.
