Head teachers update

It is amazing how quickly the weeks pass by, and it doesn't seem five minutes since I was writing my head teacher update for the last newsletter!

We had a very successful parent's meeting last Tuesday - it was great to see so many people attend, and the feedback received was very helpful and informative. Once again, thanks to all of you who were able to attend.

As always, the children have been engaged in a variety of activities this week and it has been a joy receiving so many children in my office to share their 'good' work with me - well done children!

It is a shame that we had to postpone the sports morning but we shall keep fingers crossed for good weather on the rescheduled day (10th July).

Have a great weekend! Mr Wright

Pre-School 'The Ark'

The children have been looking at shapes this week, trying to find them within the environment. We love playing outside under the covered area with the trainset and doing lots of jumping on the trampolines. The children have also been pretending to go on a journey using the crates as the train ride, then climbing onto the caterpillar which was their plane!

We have also been welcoming some new children to our setting in readiness for September.
Kristy

Cool School Club

On Wednesday 12th July we will be offering a **'Taster Session' at Club**. The session will be from 3.15pm - 4.30pm and children may come along to do some crafts, take part in activities and enjoy a snack with us. Please register at the office. It will be lovely to see some new faces and for the children to see what we get up to in Club.
Helen Smith

Class 1 - 'Tigers'

Years 1 & 2 have been writing their stories on the laptop this week. It was lovely to see how the children used the features that they have learnt for writing together with the technology. Upon completion, they were truly proud of themselves. Reception have been working with numbers (one more - one less, counting, organising numbers....)

The Rising 5s joined us a couple of times this week, we talked about what will happen next year and played with the parachute in the hall. It was lovely seeing all of the children having fun together and we are excited for next year to begin. Next week Class 1 shall be learning about our body parts.

Mrs Berrio

Class 3 - 'Owl'

Owl class had an energetic day playing in the County Hockey Finals on June 29th in St Ives.

Whilst they didn't reach the finals they were a credit to themselves and were awarded Honesty and Respect wrist bands by one of the umpires. The first team to beat them later went on to win the Final. Their certificates were presented in Celebration

Assembly along with further wristbands for self-belief, passion, determination and team work.
Mrs Cooper

Class 1: Party, 11th July

To celebrate the end of the year and all the hard work we have been doing, there will be a party for the Class 1 children on Tuesday 11th July between 1pm and 3pm.

Children should bring party clothes to change into. We will have a disco and a magician visiting us. Party food and £5 contribution would be welcome, details to follow nearer the time.

AWARDS

This week's Awards have been given to:-

Code of Conduct:

May Wilkinson, Freddie Barnes, Emma Targett and all of Owl Class.

Head Teacher's Certificate:

Hannah Thompson for beautiful handwriting & Amélie Seymour for working really hard on her Maths.

Well done!

Thought for the week:

"There is no wealth but Life"

Christian value:

'CO-OPERATION'

Genesis 11: 1-4

1 Corinthians 14:40 Proverbs 27:17

Lyme Disease
Protect yourself from tick bites

- Wear insect repellent during outdoor activities
- Avoid walking through long grass and stick to pathways
- Wear light coloured clothing and brush off any visible ticks
- If you have to walk in long grass tuck trousers into socks
- Shower and check for ticks when you get home
