Pupil Premium Admissions Priority

Academies (including Free Schools) are allowed to give priority in admissions to Pupil Premium in receipt of Pupil Premium. This funding goes into the school to support all children who are disadvantaged.

If more pupils apply to the school than there are places available, priority will be given in the order set out in our admission arrangements.

Children who are looked after do not need to be given priority under the 'Pupil Premium priority' as they are already given highest priority in the admission arrangements alongside former looked after children.

If you think that your child falls into one of these categories, **please tick the relevant box below**. These children will be considered under 'Pupil Premium priority' within our published admission arrangements.

Please note that we may ask for evidence to confirm your application and an offer of a place will be removed if fraudulently obtained.

My child is entitled to free school meals	
My child has been registered as eligible for income related free school meals within the last six years (this does not include children receiving universal free school meals)
