

Economic Well-being at Kingsdale

The following 10 strategies highlight some of the ways Kingsdale promotes securing economic well-being for all of its students.

1. **Enterprise Learning** – preparing students to become creative thinkers and resilient to the extensive changes the future will bring:
 - Year 7 – Your School, Your Business
 - Year 9 – Learn to Earn Programme
 - Year 12 & 13 – Company Programme
2. **Supporting high levels of participation in the Duke of Edinburgh Award Programme**
3. **Providing a comprehensive Careers Programme for all students in Years 7-13**
4. **Running a very rich Extra-curricular Programme**
5. **Organising an extensive Enrichment Programme for Years 9, 12 & 13**
6. **Providing a broad, balanced and relevant curriculum**
7. **Developing a PSHCE (Personal, Social, Health & Citizenship Education) Programme** that teaches students the importance of budgeting, saving and financial planning
8. **Supporting excellent attendance & punctuality**
9. **Allowing students to make valuable contributions to the decision making processes**
10. **Enabling sustained high achievement in life skills**
