Re: Arrangements for Collection of Examination Results Summer 2019

Dear Parents/Guardians/Carers,

I am writing to you regarding the arrangements for the release of examination results for Summer 2019.

- Advanced Level results are published on Thursday 15th August 2019
- GCSE and equivalent results are published on Thursday 22nd August 2019

On these days, students are invited in to collect their individual provisional result slips in person.

Any result slips not collected on the day will be sent by post.

Students are invited to collect their results in person from 9am on the respective days.

Where results cannot be collected in person, please use the collection of results form, as we will require a signed letter of authorisation in advance from the candidate who permits the results to be given to a nominated person.

Results can also be emailed to an authorised email address by prior request via the collection of results form. The form is available from the school, on the website, and via the email address below.

Results released on results day are provisional. Actual Certificates will be ready for collection from November 2019, and will need to be signed for.

Enrolment for students who meet entry requirements and accept places offered in our Sixth Form for courses commencing in September 2019 will also be taking place on Thursday 22nd and Friday 23rd August as advised separately.

I would like to take this opportunity to wish your child success in their examinations.

Kind regards,

Erika Klingler

Examination Officer
