**Re: Important Communication - Action required by Key Worker Parents/Guardians**

Dear Parent(s), Guardian(s), Carer(s),

We hope that this communication finds you and your families well during this unusual time.

Please be advised that in line with published government guidance, during the Easter period, the school will remain open for students who have been identified as belonging to a specific vulnerable group, or to those who have a parent designated as a key worker as part of the current response to COVID-19. Please be reminded that in all cases, the guidance states that if it is at all possible for children to be at home, then they should be.

To enable us to effectively organise our level of provision over the Easter period at the school for our eligible students, we would be very grateful if parents who are **key workers or who have children identified as being in a specific vulnerable group**, could contact Ms Klingler at the school via [attendanceoffice@kingsdale.southwark.sch.uk](mailto:attendanceoffice@kingsdale.southwark.sch.uk) as soon as possible to provide further information on the level of provision that they require for their child/ren during this period. Thank you in advance for your support with this request.

We shall be writing to all parents again shortly with an update regarding specific arrangements for Year 11 & 13 students, a parent feedback questionnaire for our online learning platforms and more information about our plans to commence online face-to-face teaching in the near future.

Kind regards,

Andrew Sear  
Deputy Headteacher  
Kingsdale Foundation School
