Re: Kingsdale Foundation School Provision Update

Dear Parent(s)/Carer(s)/Guardian(s),

We hope this email finds all well with families.

Thank you to parents who have been contacting us with feedback regarding our online learning provision on SMHW. Please be informed that we are in the process of rolling out online submission of work to enable students to receive timely feedback on the work they have completed and we have attached a guide for students to this email to explain how students can submit work online. Please note that this will only work where the teacher has selected online submission as an option and an increasing number of teachers will be doing this over the coming days. In the meantime, work can also be sent via email to remoteteaching@kingsdale.southwark.sch.uk stating clearly the child's name and the teacher it is intended for.

We have also listened to feedback from parents with regards to amounts of work being set and also a wish for online virtual learning provision. Both of these requests are being actioned. More details regarding potential online teaching and seminars will follow in due course.

Should your child require a reminder of their SMHW logins or any other login information for our school systems, please contact attendanceoffice@kingsdale.southwark.sch.uk or askict@kingsdale.southwark.sch.uk

As mentioned yesterday, we are aware that this is a very strange & challenging time for students but particularly for those in Year 11 and 13. We shall be writing to these students and parents directly very shortly to advise on what we are doing for them to ensure their smooth progression to the next stage of their education. In the meantime, please do encourage them to complete the work that has been set for them on SMHW, particularly as the government is currently talking about potential online assessments in some form for these cohorts. Should you have any specific queries about Year 11 or 13, please contact Mrs Boyd via info@kingsdale.southwark.sch.uk

Finally, for the minority of students who are attending school this week as part of our provision for key worker and vulnerable children, please note a correction to the information issued yesterday. **School will finish for these students each day as follows: Mondays & Wednesdays at 3.45pm and on Tuesdays, Thursdays and Fridays at 3.10pm.**

Thank you for your ongoing support which is greatly appreciated.

Kind regards,

Andrew Sear
