### Re: Parent Feedback Questionnaire and Student Learning Arrangements for Easter & Summer Term

Dear Parent(s)/Carer(s)/Guardian(s),

To further improve our educational provision for students during this period of main school closure, we are asking parents to provide us with some feedback on their child's experiences to date. To that end, we have created a secure online survey which can be accessed here <https://www.surveymonkey.co.uk/r/58JTTBT>

We would be very grateful if parents of students who have been accessing our online learning platform, as well as those who have been attending our key worker/vulnerable provision, could take a few moments to complete this survey. We will use this feedback to further improve our provision.

I would also like to take this opportunity to inform parents that during the Easter period, i.e. from Monday 6th April until Friday 17th April, students will be set broader project based tasks on ShowMyHomework which will resemble traditional holiday work. From Monday 20th April 2020, individual online lesson tasks mirroring their school timetable and lasting approximately 30 minutes, will resume. It is our intention to supplement these tasks with online taught lessons from teachers delivered via the Microsoft Teams application to which all students have access via their school Microsoft 365 account. In preparation for this development, we would ask that students check now that they can access their Microsoft 365 account (the same as for their school email) and direct any access queries to [askict@kingsdale.southwark.sch.uk](mailto:askict@kingsdale.southwark.sch.uk) They should also check that they can access the Teams application within Office 365. Further information, including instructions and a Code of Conduct for students, will follow shortly. In the meantime please address any queries about our online programme to [remotelearning@kingsdale.southwark.sch.uk](mailto:remotelearning@kingsdale.southwark.sch.uk)

Thank you again for all your ongoing support at this time which is greatly appreciated. Should you have any queries about the contents of this letter, please do not hesitate to contact me via [remotelearning@kingsdale.southwark.sch.uk](mailto:remotelearning@kingsdale.southwark.sch.uk)

Kind regards,

Andrew Sear  
Deputy Headteacher  
Kingsdale Foundation School
