

Prefects

The school has many wonderful prefects who are drawn from Years 9, 10 and 11. Year 9 students are called Junior Prefects. A number of Senior Prefects, including Head Boy and Head Girl are drawn from Year 11. Prefects are managed by Mrs. Graham, Assistant Headteacher, who meets them regularly.

Prefects are nominated by their Head of Learning based on the track record of the students. Students who wish to be prefects must show exemplary behaviour, excellent community service and be role models for younger students and peers. All prefects in Years 10 and 11 wear a prefect tie, while Year 9 prefects wear an orange badge. Prefects are engaged in the community life of school and perform a range of duties.
