1st November 2016

## **RE: Year 8 Examinations Week**

Dear Parent/Guardian/Carer and students,

We have had an excellent start to this Academic Year, in no small measure due to the encouraging attitude of your child towards his/her educational success and to your continued willingness to support our pursuit of raising standards, essential in achieving your child's success. Presently, I am writing to inform you of some important dates which both you and your child must take into consideration.

As per the attached timetable, all students in Year 8 will sit their years' Examination throughout the week beginning Monday 28th November 2016. Their Music, Art and Textile examinations will however take place the following week.

The importance of these examinations cannot be overly stressed as it will be an indicator of your child's current levels of progress and attainment in their various subjects. Students are advised to study and revise all the work they have undertaken in their various subjects and classes since the beginning of this academic year making sure that they know the expectation of their subject's examination. Teachers will have given students advice on this and will have spent time going over the key issues and topics taught.

Please note that during the examination period students must arrive promptly to school, be well equipped with their writing/mathematical equipment and of course be in full school uniform: Attitude is as important as Ability.

In addition to the aforementioned, you will be able to discuss your child's examination results with their teachers and tutors at the forthcoming year 8 Parents' Evening which is scheduled to take place on Wednesday 1st February 2017 from 5.00pm to 8.00pm. Further information will be communicated to you about this evening closer to the date by their Head of Learning.

I hope you find this information valuable and may I take this opportunity to thank you for your continued support and cooperation. Should you have any concerns or further expectations, please do not hesitate to contact Mr Mitchell and Ms Kataria, Heads of Learning for year 8; Mrs Boyd, Head of Lower School; Mr. Sear, Deputy Headteacher; or myself.

Yours faithfully,

Dr. Tunde  
Assistant Headteacher
