

## A guide to log into Satchel:One

The following step by step guide will show how to log into Satchel:One. The students email address and password are the same as they would use to log into the school computers. If you have any queries please contact me at [brobinson@maidenhill.gloucs.sch.uk](mailto:brobinson@maidenhill.gloucs.sch.uk)

### Step 1

Go to the maidenhill website <http://www.maidenhill.gloucs.sch.uk/> and click on the Satchel:One link in the top right corner.

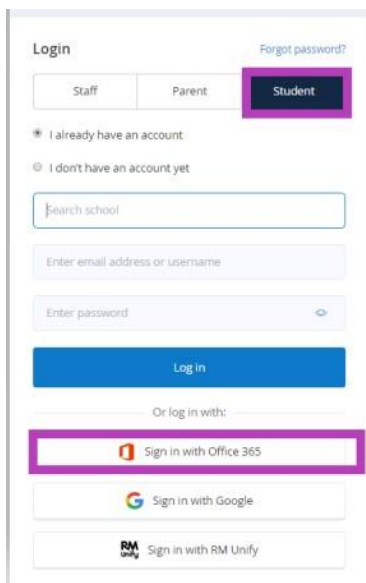

Or download the Satchel:One app onto a phone or device

## Step 2

On the Satchel:One log in page click on Student and then sign in through Office 365

### Step 3

At the next screen type in the password.

The image shows a mobile application interface for 'RM Unify'. At the top, the text 'Your Launch Pad to the Cloud' is visible. The main heading is 'Sign In'. Below this, there is a text input field containing the email address '8128@maidenhill.gloucs.sch.uk'. Underneath the email field is a password input field with the placeholder text 'Password' and an eye icon to toggle visibility. A checkbox labeled 'Remember my username' is positioned below the password field. There are two buttons: a blue 'Sign in' button and a white 'Sign in from my network' button. At the bottom, there are two links: 'Forgotten your password?' and 'Find out about RM Unify'.

### Step 4

You should be now logged in, (it will be easier to log in after the first time as it will remember settings) I would suggest clicking on Calendar to see which work has been set that day.
