

September 2020

Dear Parent/Carer,

GCSE Food Preparation and Nutrition

For the Food Preparation and Nutrition exam and the non-examination assessments, students have a wide range of subject areas to revise. The school shop has study guides available to help support your son/daughter in preparing and revising for their GCSE exam.

The school currently offers a revision guide and a revision workbook; 'The Revision Guide' and 'Exam practise workbook'. This guide is needed by all students and costs £2.85 per book, both books bought together are £5.70.

The guide offers support and revision materials including practice exam questions and key information about non-examination assessments, which is the practical part of your son/daughter's final GCSE grade.

As part of your son/daughter's independent study, students will be required to buy the 'The Revision Guide', as they will be set revision tasks to work through in the booklet throughout the academic year. This is in preparation for their mock exam in December 2021 and their final exam in June 2022.

Payments can be made online at: www.parentpay.com under 'Other payment items'. If you require help with your login, please contact the finance office. Please note that we no longer accept money paid by cash or cheque. If you wish to pay by PayPoint please contact the finance office for your bar code.

Please ensure payments are made by Monday 2nd November 2020.

Yours sincerely,

Miss K Shannon
Subject leader of Art, Design and Nutrition
