

13th November 2020

Dear Parents/Carers,

Would you like to get involved in the running of your school?

The board of governors is currently seeking a new parent governor to join our team and assist us in our work of helping to lead the school and to continue the improvement in standards and help us to achieve our mission of 'Creating and Achieving a Brighter Future' for our young people – your children.

Parent governors are nominated and elected by the parents with children enrolled at the school and serve for a four year term.

Do you like to ask questions and find the answers to those questions?

Do you have a particular interest in education?

e.g. How your children learn? What motivates them to do well?

How does Special Needs operate?

How does the business side of the school such as budget planning or staffing operate?

How are the grounds and buildings managed?

There are so many different and rewarding aspects to running the school that no matter what your interest, there are opportunities to use your skills for the benefit of all the students.

The most important attribute of a parent governor is that you have the interests of the students at Maidenhill as the focus of your work, and can contribute positively towards the aim of getting the best out of the school. The position of parent governor is interesting, rewarding and exciting as we see the school improve both physically and educationally.

Please consider putting your name forward and joining our team to help us at this exciting time for the school.

The school website has details about what is involved in being a school governor:

A list of names can be found on the school website. Alternatively if you have any queries, please ring the school giving your details and I will call you back to discuss the matter further.

If you interested in becoming a governor, please complete the nomination form overleaf (Self nomination is acceptable), which will need to be with the school by 12.00 noon on Friday 20th November 2020.
