

7th May 2020

Dear Parents/Carers,

I am writing to inform you of some potentially helpful additions to GCSEPod.

Firstly, for current Year 11 students taking A-Levels next year there is a 'Getting Ready for KS5' programme available. For a wide and increasing range of subjects there are additional podcasts covering key course content, available for FREE. There are also free workbooks available with useful activities and subject specific advice for making the jump to A-Level. To access these additional resources, students should just go through the normal subject page clicking on the '**Getting Ready for KS5**' icon.

Secondly, for parents of Year 10 and 11 students, GCSEPod are holding a number of parent webinars through Zoom to offer further support, advice and guidance in using GCSEPod for remote learning. Whilst these webinars are completely separate from the school and not endorsed by us, they may be helpful to some parents at this time. Times and links are below:

5pm, Wednesday 13th May:

https://us02web.zoom.us/webinar/register/WN_UIwWCH1NR6mA-pv_HyZgSg

12:30pm, Friday 15th May:
