

30th March 2021

Dear Parent/Carer,

I am delighted to say that we are able to offer students a Study Day during the forthcoming April break on Tuesday 6th April. It is vital that students make time for rest and recuperation during the break, but equally essential that they complete at least 90 mins of work per day as they approach the start of Term 5 and their formal assessments which begin on Monday 10th May.

Students are welcome to arrive from 9.30am for 'tea and a snack'. Students wanting to make use of this facility should arrive in plenty of time to do so. Our first study session will start promptly and run from 10:00am until midday where we will break for lunch, before commencing a second study session from 12.30pm until 2.30pm. Students attending the afternoon session **must be in school by 12.30pm**. Students may attend either the morning or afternoon session, or both.

On these days, students will participate in an independent study and revision session and will have the option to also join a taught session covering aspects of the English Literature and Language courses. They will have access to computers to be able to make use of GCSE Pod and other online resources. I will also ensure they have access to paper and blank flash cards. They will have no access to the rest of the school and so they should bring all other revision materials with them. This may include revision guides, past papers and highlighters. Whilst drinks and snacks will be provided, students will need to bring additional sustenance for the day; students will not be allowed off site to purchase food. However, they should note that there will be no eating or drinking during study sessions. Students may of course wear casual clothes, but otherwise full school rules will apply during these sessions, including the use of mobile phones and other digital devices.

Please return the reply slip below to Mr Hunter by Thursday 1st April.

Yours sincerely,

Mr A Hunter
