Dudley's Start for Life

Giving your child the best start for life

In Dudley borough, there is new investment for essential services in the crucial Start for Life period from conception to age two.

If you are pregnant or a parent/carer to a child under two, there are a range of services which can provide help and support for you and your family, including:

- Midwifery
- Health visiting
- Emotional wellbeing support
- Infant feeding support
- Early education and support
- Safeguarding
- Services for special educational needs and disabilities (SEND)
- Healthy lifestyles

You can find out more on all of these topics by visiting www.dudley.gov.uk/start-for-life or scanning this QR CODE

You can also drop into your local library or Dudley Council Plus to access free Wi-Fi or request a paper copy of the Start for Life information.

As part of the Dudley Family Hub Network, your local family hub can also provide information on support services. They are welcoming places for parents-to-be, parents, carers, families and young people where all services can be found in one place.

The hubs listed on the back cover are a one-stop shop, offering advice and support for all families in Dudley borough with children aged 0-19 (25 if the child has special educational needs and/or disabilities).
