

EYFS and Key Stage 1

Every Day A Story Day

September 2021

Every Day A Story Day

At Peters Hill we understand that the reading of Standard English, alongside proficient language development, is the key to unlocking the rest of the academic curriculum. Fluency of reading is a key indicator for future success in Further Education, Higher Education and Employment.

The importance of talk and stories in a child's early years cannot be under-estimated.

Literature is probably the most powerful medium through which children have a chance to inhabit the lives of those who are like them and also to learn about the lives and experiences of those who differ from them.

Every Day A Story Day

At Peters Hill our commitment is that every child in Nursery, Reception and Key Stage 1 will have a story time every single day.

First and foremost, this is a chance for the children to enjoy being read to by their teacher.

Secondly, this will enable children to be exposed to, and develop their understanding of, a wide range of ambitious vocabulary. Children will discuss books, authors, illustrators, likes and dislikes, recognize similarities in plots, themes and characters and also embed newly acquired vocabulary into their own speaking, and later, their writing.

Every Day A Story Day

The following slides detail which stories are in the story pathway for children in Nursery, Reception, Year 1 and Year 2.

*This may be adapted to suit children's interest or to reflect current affairs.

Story Pathway - Nursery

The Polar Bear Paddle Danny,
the Duck with no quack

Listen up, Pup!

Little Chick and the Secret of
Sleep

Max and Tallulah

Squish Squash Squeeze
