

Thursday 19th March 2020

Dear children,

I wanted to write to you to say a huge thank you and well done for your amazing attitudes over the last few weeks. I am extremely lucky to have a job that makes me proud and to have plenty of moments where I sit back in awe of the people around me. Over the last few weeks, I can honestly say that this has been the hardest time I have faced as a Head teacher but it has also been one of the most strangely rewarding as I have watched our school community come together and unite for the good of everybody. You have amazed me with your positivity and responsible attitudes to what is going on around you. Every request we have made, you have responded to brilliantly. You have all shown a maturity well beyond your years.

We now enter a time where the Prime Minister has told us that all schools in the country need to close for a while. We will be closing as of the end of the day tomorrow, but we will remain open for a small number of pupils. This will be because the parents of these children are key workers and are needed in jobs that help us all. We must continue to do all that we can to support each other during this time.

We have made sure that you can stay busy over the next few weeks. The class blogs have been updated with plenty of activities so please make sure you access these and keep your learning moving forward. We are relying on you to have a sense of self purpose so that you get into a routine that allows you to learn something every day. I will be so proud when you come back to us telling us about the fantastic things you have been doing.

Hopefully, we will not be closed for long and we will be able to have our fantastic school back together again soon.

Take care of yourselves and the people around you.

We are here if you need us.

A handwritten signature in black ink that reads 'Mr Duncan'.

Mr Duncan
