AGENDA ITEMS:

Updates:

Mr Duncan came to the meeting to update the Parent Council on moving forward with academization.

50th Birthday celebrations:

Parent council discussed asking for sponsors to provide cakes and sweet treats to sell at the 50th Birthday celebration cake sale which will take place on July 11th. Children will have a picnic and parents will have the opportunity to purchase cakes at the end of the school day to raise money for the science garden project. K from the parent council has already managed to get 4 bakers on board who will donate for the event.

Members of the parent council will be canvassing local supermarkets and also garden centres to ask for cake donations and donations for the science garden. Parent council members will be sharing the school letter about donations for the science garden to local businesses and contacts to generate interest.

Parent Council also discussed the format of awards assemblies as SLT were very interested in feedback and the parent experience. We had a long discussion and reached the unanimous conclusion that the awards assemblies are really lovely and both parents and children enjoy them and the format does not need changing.

Date of next meeting TBA.
