AGENDA ITEMS:

Filming events like performances at school – discussion with Mrs Curnin

A discussion took place because of requests from parents about being to film or take pictures at productions so they had a record. The discussion was led by Mrs Curnin who gave the group some context and we discussed at length the issues with taking images of children (especially around safeguarding issues such as looked after children and children impacted with safeguarding issues which link to parents). The decision of the Parent Council was unanimous in that they support the SLT decision to continue to prevent the taking of pictures or filming of productions because of the risks of safeguarding and online safety.

Parents evening 20th and 21st November – could anyone volunteer to do some surveys with parents to gather data? Claire has volunteered 4-6pm on the 21st and Kerry can do 5.30-6.30 on the 21st. Survey will be electronic and gathering data from parents in attendance at the event.

Feedback on the Guinness book of records event – we have entered the Guinness book of records for the handwashing events – well done everyone.

50th Anniversary celebrations – we have got a mascot winner and that information will be articulated to parents.

We are looking for raffle prizes for the up and coming parents evening so anyone who has a business and would like to donate should contact the school.

Creative Black Country – Mrs Owen has met with Laura from Creative Black Country and has discussed working together in conjunction with projects for Peters Hill 50th Birthday – more information to follow on the project which will involve local artists.

Mrs Owen to continue reaching out to the alumni in preparation for the 50th Birthday celebration.

Date of next meeting: 10th December 2024
