TIME

16.30

ATTENDEES

H. Owen, T. Curnin, C.Bou Aziz, K Morgan, J Knowles, J. Wood

APOLOGIES

L. Baker, L. Griffiths

AGENDA ITEMS:

Updates:

Mrs Curnin attended the meeting to brief the group on the school's survey about online safety because of the complexities of the changing digital landscape. The Parent Council will fully support school with a survey for parents/carers to find out what their children are accessing on line and also what support and help school can provide as the curriculum is revisited. The chair of Parent Council has drafted a letter which will be communicated to parents and carers with a link to the survey. Work will be done in Summer two to redevelop curriculum ready for September 2025.

Science Garden update- Parent Council are to write a letter to be sent out to local businesses to ask for sponsorship or donations so that the science garden can be operational for all year groups hopefully by September 2025. Chair has drafted a letter which will be sent out in a mailshot. A lot of discussion was had about where to send the letter/email to and we have decided to approach a range of local businesses including garden centres. We are anticipating to send the letter out before half term so we can progress with the project.

50th Birthday celebrations – School are organizing a garden party to celebrate the 50th anniversary of the school – the event will be held in a similar fashion to the Coronation party. The event will be at the end of the academic year, 11th July. K from Parent Council has volunteered to approach local bakers to see if we can get cakes donated to share with parents as part of our 50th celebration, with the hope of raising additional funds. Mrs Owen has also approached the school kitchen to see if they would donate and check availability. The Parent Council are also approaching businesses to see if they would donate sweets for the event. The chair has written a letter which can be sent out as a mail shot to potential donors/sponsors.

Art project update – SLT are working alongside a local artist to produce a mural for the 50th Birthday celebration which will be a permanent fixture at the school – SLT are currently working on funding for the project. Chair will send details of a bid writer and Chair will meet with CAN to see if there is any possibility of a funding link.

Date of next meeting June 10th.
