GOVERNOR NEWS

The year has flown by. We've had disappointments where our MAT application was rejected but we are finishing on a high note with amazing results in end of year assessments and SATs.

On behalf of all governors I would like to say a huge 'congratulations' to all the children at Peters Hill. You make us very proud with your behaviour, good manners and hard work.

We would also like to say a huge thank you to all the staff. Every member of staff plays a huge part in the success of the school and the achievements of the children. They are always willing to go the extra mile to make sure Peters Hill is a great place for the children to come to school or for all adults to work.

We wish you all a lovely summer break, take care and return safely in September

Finally good luck to all year 6, continue to work hard and build upon the skills you have gained in your time at Peters Hill.

YEAR 6 SCOPAY BALANCES

As we near the end of term, please could we ask parents of children in Year 6 to be mindful of the balance on children's Scopay dinner money accounts.

Please use any credit in order to bring the balance to as close to nil as possible. Thank you.

WHAT IS EARLY HELP?

Early Help is taking action early to provide support where problems are emerging for children, young people and their families.

Early Help is here to find out what is working well for families and what areas they might be worried about; it can help to build on families' strengths and identify any needs where support might be needed. It is an approach that brings people together from different teams and services who work together with the whole family. It can include a vast area of support. The main focus is to improve outcomes for children.

If you would like to discuss Early Help please contact Karen Bridgwater in school or approach your local family hub directly

ONLINE SAFETY

Staying safe online is extremely important for children. There is lots of information available for parents on our website which will be continually updated.

The following link will take you to our e-safety page:

WE CAN SUPPORT

JUST REACH OUT TO US

There are a number of charities and organisations school can make referrals to on your behalf and sometimes we also have occasional extra funding.

If you need some help, please contact the school office who can put you in touch with Karen Bridgwater, our safeguarding officer. All referrals are treated with sensitivity and are confidential.

Sometimes we recognise that you may not wish to contact school. We are very fortunate to be able to work with some fantastic small charities where you can self-refer in times of need. Please see below and contact directly if needed.

CONGRATULATIONS!

On Sunday 29 June, Archie and his football team, Netherton Colts, lifted the trophy for being league winners.

Many congratulations to you and your team!

WELL DONE!

Charlie played in a tournament on Saturday 28 June in the awful heat and the team managed to win their group but lost in the quarter finals. They did everyone proud.

He received a presentation trophy on the night for the current season.

Well done Charlie!

YEAR 5

Year 5 have learned about a range of STEM jobs and created an A-Z of these. Teachers set their class a STEM challenge: can you fit through a piece of paper? Children developed problem-solving skills by having more than one attempt and changing their initial plans. They also had a debate over the most important skills/qualities someone working in STEM should have.

REDHILL MUSIC DAY

A Celebration of Sound!

On Friday 27 June, our Year 6 pupils enjoyed an incredible day of music, thanks to a visit from talented students at Redhill School ranging from Years 7 to 9. The Redhill musicians led exciting workshops throughout the day, giving our pupils a taste of the amazing opportunities in secondary music.

The children enthusiastically took part in a variety of sessions including choir singing, ukulele playing, drumming and even a musical theatre workshop featuring songs from *Oliver!*. It was a joy to see so many of our pupils fully immersed in creative expression and teamwork through music.

Peters Hill staff also joined in adding to the vibrant, community feel of the day. The atmosphere was electric and the smiles on everyone's faces said it all — a fantastic, music-filled day that inspired and entertained in equal measure!

SPORTS DAYS

Well done to all of the children that took part our Sports Days this year and a huge 'thank you' to parents for their support.

We have been lucky enough to have a range of assemblies for jobs in tech from the charity TechSheCan. TechSheCan is a charity, working together with industry, government, and schools to improve the ratio of women in technology roles. The ambassadors met online with each year group to show children the huge diversity of roles in technology.

WHAT IS TRIPLE P?

Being a parent can be tough at times, there is no manual, or one size fits all approach..

Triple P is a parenting support tool. It doesn't tell you how to be a parent, it's more like a toolbox of ideas. You and your family choose the ideas you need and what will work for you.

You can sign up to complete Triple P online at your own pace or some people prefer face to face group/ teams support..

There are a number of resources that can be accessed

- Triple P - For parents of children aged 18 months to 11 years.
- Triple P TEEN - For parents of children aged 11-16.
- Triple P Transitions - for parents who are no longer together with the other parent of their child, if you are struggling with stress, anger etc and coping with a separation/divorce.
- Triple P Stepping Stones - For parents of a child with a disability aged 2 – 12.
- Triple P Fear - less - for parents of a child aged 6 plus who suffers with anxiety.

Triple P for babies - For expecting parents or those with a baby up to one year old.

If you would like to discuss Triple P please contact Karen Bridgwater in school or approach your local family hub directly
