THANK YOU!

A huge thank you to everyone who took part in our Danceathon last term.

This raised an amazing £4672.00 which will be split between Young Minds and School Fund.

Well done children for your brilliant dancing!

CUT YOUR CARBON

The month of November is a focus for our school to 'Cut Your Carbon'.

A paper copy of details has been sent home in KS2 for children to take home with them to share and complete with their families. It would be great if families can try as many of the activities as they can over the month of November and tick each activity as it is completed. Any child who returns their form in the first week of December will earn 10 carrot Points and the data will be collated and sent to the Eco Schools committee with a chance of school winning a prize.

GOVERNOR NEWS

We are sorry to lose one of our Governors who has resigned for personal reasons. Mrs Bletcher has only been with us for a short time but had made a great impact. We are also welcoming our new Parent Governor this term. Neil Parker will be at our next full governor meeting in December.

We are also progressing with the Round Oak Collaborative. Many thanks to those families who came to the stakeholders meeting. It was good to meet the families who came. There were only a few families who came to the meeting; we are assuming it's because there is a trust that we are making the right decisions for the future of Peters Hill and our children.

PARENTS EVENING APPOINTMENTS

If you haven't already done so, please remember to book your Parents Evening appointment for Wednesday 20 or Thursday 21 November.

Appointments can be made online, but if you need any assistance, please contact the School Office.

WE CAN SUPPORT

JUST REACH OUT TO US

There are a number of charities and organisations school can make referrals to on your behalf and sometimes we also have occasional extra funding.

If you need some help, please contact the school office who can put you in touch with Karen Bridgwater, our safeguarding officer. All referrals are treated with sensitivity and are confidential.

Sometimes we recognise that you may not wish to contact school. We are very fortunate to be able to work with some fantastic small charities where you can self-refer in times of need. Please see below and contact directly if needed.

TERM DATES

Please click [here](#) to view the term dates for this academic year. These can also be found on our website under the 'Useful Info' Tab.

ANFIELD ABSEIL

During half-term, Jack completed a 100ft abseil from the top of Anfield. This is something he has wanted to do for some time and was lucky enough to have the experience bought for him as a gift. Well done Jack, what an amazing day!

WELL DONE!

Earlier this term, Ruby had her long hair cut off and donated it to The Little Princess Trust and also raised £100.00.

This enables the trust to provide real hair wigs to children and young people with hair loss.

Well done Ruby, Peters Hill are very proud of you!

SCHOOL MASCOT

We would like to congratulate Ella in Year 5 for being the winning designer of our 50th Anniversary School mascot. Please look out for it around school over the next year as we will be using it to promote all the activities we have planned to celebrate this special moment in our school history.

CHILDREN IN NEED

Today we marked Children in Need by coming to school in mufti for a donation to this wonderful cause. The appeal raises money for disadvantaged children and young people around the UK. A huge 'thank you' to everyone who has donated via Scopay.

MATHS WEEK ENGLAND

Our children have really enjoyed promoting the love and enjoyment of Maths this week.

Check out our class blogs to find out about some of the things that have been taking place!

FOREST SCHOOL FUN

Year 3 had a great time this week during Forest School.

They used sticks, twine, leaves and stones to create their own Stone Age dwellings.

ODD SOCKS DAY

This week, we celebrated Odd Socks Day as part of Anti-Bullying Week to embrace the message that it's okay to be different and unique.

The theme for this year was '**Choose Respect**', and our pupils participated in a variety of engaging activities aimed at understanding and promoting respect—what it means, what it looks like, and how we can practice it every day.

We are proud of how our children embraced the theme and reflected on the importance of treating everyone with kindness and dignity. Together, we can build a culture of respect!

CYCLE SECURITY & DR BIKE EVENT

We were delighted to host Sustrans, the charity dedicated to making it easier for everyone to walk, wheel, and cycle. As part of their visit, they conducted safety checks and essential repairs on bikes belonging to some of our pupils.

Additionally, every pupil who brought their bike to the event received a FREE Security Marking Kit, allowing families to register their bikes on the National Register for added security and peace of mind.

A big thank you to Sustrans for their invaluable support in promoting cycling safety and sustainability in our school community.
