FOCUS ON GOVERNANCE

Governors have made a number of visits to school so far this year and have more planned for this half term. Governors have been into school to look at safeguarding, progress of specific groups of children, early years, phonics and health and safety around school. There are a number of curriculum visits planned this half term. We look at what children are learning from early years through to Year 6 and we are never disappointed by what we see. The children are always excited about their learning. They never fail to amaze us with their vocabulary and their books.

I do look forward to a new Parent Governor joining us in the near future. Please take a look at the Governor section on the website and see if you have something new/ a different dimension to add to what is a great group of volunteers.

Mrs I Gilhooley, Chair of Governors.

REFLEXIONS

We are working with Reflexions, a funded branch of the NHS, created to support mental health in young people and to try and reduce the pressure on GP's and CAMHS. Through this collaboration we are able to offer support to individuals, small groups, parents and staff. So far we have held 2 parent workshops for parents in Y3 -Y6 about 'social media and mental health' and 'what is anxiety'.

The next parent workshop is 'Year 6 Transitions' and is on 7 June at 2.00pm. If you are interested please book your place by emailing your name and how many places you would like to book to:

reserve@petershillprimary.org.

It is very much a service for you, if demand is low in the borough this service may cease which would be a shame. If you want to discuss anything in particular that you think Reflexions may be able to support with, please contact Mrs Bridgwater in the first instance.

ACCESS TO

HELP AND SUPPORT

If you are finding things difficult in the current financial situation and your circumstances have changed, please let us know. School have access to agencies that may be able to offer you help and support.

This will always be dealt with sensitively and discreetly.

Please speak to Mrs Bridgwater in the first instance.

ONLINE SAFETY

Staying safe online is extremely important for children. There is lots of information available for parents on our website which will be continually updated.

The following link will take you to our e-safety page:

TERM DATES

Please click [here](#) to view the term dates for this academic year. These can also be found on our website under the 'Useful Info' Tab.

NUT FREE SCHOOL

- Please can we remind you that we are a nut free school. We do not allow any food which may contain nuts in school due to some children having severe allergies.

- This includes foods such as peanut butter, Nutella, chocolate spreads, dips, cereal bars or any other food which may contain nuts.

- Please check the ingredients on any chocolate bar you send in your child's lunchbox as it may not be obvious that it contains nut traces.

We thank you for your co-operation.

NAMING UNIFORM

Could we please ask you to ensure that all of your child's uniform, PE kit, lunchbox and water bottle are named so that we can return any lost items to the rightful owner. Thank you.

COOKING IN THE CURRICULUM

Before half-term, Year 5 made brioche rolls. A selection of photo's can be seen below.

CHEFS OF THE FUTURE

Isla loved making bread with her class and choosing tasty fillings for the rolls they baked, so she made some more for her family at home. They were amazing!!

Over half term Alex and his brother Oliver enjoyed making meat feast pizza.

Well done boys, they look great!

Phoebe made lovely a double chocolate fudge cake with her dad and sister.

Looks delicious!

Harvey and his brother had lots of fun making bread during half term. It was delicious with grated cheese and tuna mayonnaise!

Ella & Edie baked cookies with white chocolate chips and chose to finish them with strawberry icing which they piped themselves.

Well done girls!

Lottie in 3LR made some fairy cakes in the holidays and then had great fun decorating them.

Spring Artwork Competition

Everyone in school is invited to enter a spring themed art competition.

It is completely up to you what you want to create, however it must be A4 in size and have your full name and class on the back.

These pictures can be done at home, or you could ask your teacher if you could do one in golden time.

Please be as creative and imaginative as you can.

Your entry needs to be brought into school by Friday 15th March.
