WELL DONE!

During the Easter holidays, Rayfe in Year 4 had fun making pizza using the recipe from school.

They look fabulous Rayfe, well done!

REQUEST FROM YEAR 1

Occasionally, children need a change of clothes during the school day. We have spare trousers & sweatshirts in our range of pre-loved uniform but if anyone has any of the following items of clothing that their child has grown out of, Year 1 would be very grateful:

- Pants
- Socks
- Tights

Please bring any donated items to the School Office. Thank you.

PRE-LOVED UNIFORM

If you need any items of uniform and would like to see if we have anything you require in our stock of pre-loved uniform, please let us

know. All items are washed and free of charge. This is a very eco friendly way of extending the life of your child's uniform. If you have any items you would like to donate, these can be dropped off at the School Office.

Thank you for your support.

ONLINE SAFETY

Staying safe online is extremely important for children. There is lots of information available for parents on our website which will be continually updated.

The following link will take you to our e-safety page:

EARTH DAY

Last week Year 3 celebrated Earth Day. Every year on 22 April, Earth Day is celebrated around the world in over 192 countries. If we want to **keep our planet clean and safe** for years to come, we need to **reduce the amount of pollution** we produce and fight against **climate change**. We discussed lots of ways we could help our planet and created a pledge of something small we can try to do daily, to make a difference.

NUT FREE SCHOOL

Please can we remind you that we are a nut free school. We do not allow any food which may contain nuts in school due to some children having severe allergies.

This includes foods such as peanut butter, Nutella, chocolate spreads, dips or any other food which may contain nuts.

Please check the ingredients on any chocolate bar you send in your child's lunchbox as it may not be obvious that it contains nut traces.

We thank you for your co-operation.

BIKEABILITY

Over the last two weeks, Year 5 have been taking part in Bikeability.

During the two day course, the children have been learning how to signal, how to perform safety checks on their bicycles and how to safely carry out a variety of manoeuvres such as u-turns. The children have been a credit to our school with their excellent listening skills and fantastic manners and made great progress with their cycling. Well done Year 5!

CONGRATULATIONS!

Congratulations to all of the children who won a prize in the Easter draw before the holidays which was organised by the School Kitchen. There were a range of prizes including a chocolate bouquet, Easter eggs, an Easter bunny & an Easter Egg Hunt Kit.

BATTERY RECYCLING

Following our very successful Battery Hunt Campaign at the end of last year when we collected over 4000 batteries, we are pleased to inform you that we will be continuing to collect batteries for recycling.

If you have any household batteries for recycling, these can be placed in the recycling box that can be found in our main reception area.

Thank you for your support.

ONLINE SAFETY

At Peters Hill we take safeguarding very seriously. In Year 5 we had some very special visitors in school before the Easter break. We were visited by two Police Officers who came in to speak with the children about the importance of online safety. During the session we covered many aspects of how to keep safe. The children found the information very interesting and asked lots of relevant questions. Well done Year 5 for such a mature attitude and with how well you engaged in the sessions.
