MENTAL HEALTH AMBASSADORS

Last week, our Mental Health Ambassadors were busy once again, delivering insightful presentations in both KS1 and KS2 assemblies. They confidently shared their understanding of mental health, providing a clear definition and introducing the *Five Steps to Well-Being*. Their inspiring message encouraged their peers to apply these steps in their daily lives to support well-being. We are incredibly proud of their dedication and enthusiasm in promoting positive mental health across our school community!

GOVERNOR NEWS

I wanted to share recent updates from our Governors' meeting. We have held one full board meeting since my last update, and although I couldn't attend, I truly appreciate the unwavering dedication of our Governors. They are passionately working to enhance opportunities for everyone at Peters Hill. While we continue to face some challenges across education, our determination to be the best we can be remains strong. We thank you for your ongoing support.

On Friday 2 May, the School Kitchen will be offering Harry Potter themed puddings. Why not join us for pizza on this day and see what's available!

PRE-LOVED UNIFORM

If you have any sweatshirts with the logo that your child has grown out of, we are more than happy to accept them for our pre-loved uniform shop.

Thank you for your continued support with this very worthwhile initiative.

NAMING UNIFORM

Could we please ask you to ensure all uniform is named so that we can return any lost items to the rightful owner. We have had lots of coats recently that are not named.

ONLINE SAFETY

Staying safe online is extremely important for children. There is lots of information available for parents on our website which will be continually updated.

BIKEABILITY

5HT and 5AC loved taking part in Bikeability this week. They impressed the instructors and teachers with their fantastic cycling and listening skills and have been a credit to the school. We have enjoyed learning about how to perform manoeuvres such as u-turns, passing parked cars and performing turns in the road. We have also been learning about road positioning including the primary and secondary position and also how to signal safely. We then went back to the classroom to learn about the theory behind cycling, including road signs and safety information. We have had such a fun couple of days and we have made huge progress with our cycling, well done Year 5.

WE CAN SUPPORT

JUST REACH OUT TO US

There are a number of charities and organisations school can make referrals to on your behalf and sometimes we also have occasional extra funding.

If you need some help, please contact the school office who can put you in touch with Karen Bridgwater, our safeguarding officer. All referrals are treated with sensitivity and are confidential.

Sometimes we recognise that you may not wish to contact school. We are very fortunate to be able to work with some fantastic small charities where you can self-refer in times of need. Please see below and contact directly if needed.

LITTLE OWL FARM PARK

Yesterday, Reception had a fabulous day at Little Owl Farm Park in Worcestershire. We could not have asked for better weather. The children had a brilliant time feeding baby lambs, touching chicks, guinea pigs and rabbits. Great fun was had by all.

PIONEER CENTRE

Year 4 had a brilliant time at the Pioneer Centre. They represented our school superbly and we were all immensely proud of them. Children pushed themselves to new limits and hopefully created memories to last a lifetime. They took part in a range of different experiences such as caving, archery, abseiling, zip-lining and climbing. To relax, children enjoyed a disco and a movie night with their friends. It was great fun!
