In the Event of School Closure

Don't forget that in the event of school closure you will be notified by groupcall text. The school website and Twitter feed will also be updated. Checking Twitter and the website will be the quickest way to find out. Groupcall can be slow due to the volume of texts that are being sent.

Nail Varnish

A polite reminder that nail varnish is not part of school uniform policy so we ask that nail varnish is removed for school. Thank you.

Class Blogs

Class blogs are a great way for you to find out what has been happening in your child's class when you get the reply of 'I don't know!' to 'What have you done in school today?' The children and teachers love to get parental feedback and comments on the blogs. Have a look and comment on what's been happening. They can be found by clicking the kite button on the school website home page.

E-Safety Information

Did you know that there is a live feed on the school website for parents that gives you all the latest news and guidance in relation to all matters linked to E-Safety. Under the parents tab, in the drop down menu click on e-safety. Current topics include; WhatsApp - a guide for parents, Fitness apps - a cause for concern?, 5 digital parenting rules that really matter and many more. There is also paper guidance in the school foyer info stand. Have a look and keep a step ahead in keeping your child safe online.

Last night there was an e-safety session for parents which, although only attended by 10 parents, received positive feedback. In response to evaluations we will be offering appointments with our ICT staff during parents evening where you can bring mobile devices and get bespoke support with your parental controls and settings. Thank you to Mrs Millard and Mr Parsons for running the session and to the parents who attended.

Gate to Top Playground

The gate next to the Children's Centre leading to the top playground will no longer be opened either in the morning or in the afternoon. Please access school via the entrances at the front of school. Thank you.

Topping up Cashless Catering

Could we please ask you to ensure your child's cashless catering account has been topped up if they are having a hot lunch. Thank you.

13 January 2017

JAM Club

JAM (Juniors at Museums) is a great place for children to get involved with craft projects, trails and other great activities at various locations around Dudley. Please see the attached document for further information.

Fencing Club

A new Fencing Breakfast Club for Year 6 started this week with a member of staff from Ace Coaching. So far the children love it!
