Are You Eligible to Claim Free School Meals?

If you think you may be eligible to claim free school meals for your child, please visit www.dudley.gov.uk to download an application form and email it to freeschoolmeals.benefits@dudley.gov.uk or pop into the school office for an application form so that we can register your claim as soon as possible.

By registering for free school meals through this system, this can raise valuable additional funding from Central Government for your child's school. This could mean that for each child registered for a free school meal through this process, an extra £1,300 can be received each year. This is known as pupil premium.

It is therefore crucial that we continue to register pupils who attract pupil premium. Even if your child is in Reception, Year 1 or Year 2 and is currently receiving universal free school meals it is still important for you to apply.
