DONATIONS FOR THE GAMBIA

Peters Hill Primary School and many other schools support Ridgewood High School's 'Project Gambia'. The aim is to help the children who live in The Gambia by donating all sorts of useful, important clothing and equipment. The items that the children and families in The Gambia are most in need of are trainers, school bags, water bottles and school shoes. Please see the poster attached below and feel free to bring in any items into school you would like to donate and be passed on to the charity.
